Resolution 2014-03

A Resolution of the Heceta Water Public Utility District Board of Directors  
Accepting Boundaries for Subdivisions within HWPUD

---

Whereas, the Heceta Water People's Utility District (PUD) is a special district formed under ORS Chapter 198 and existing and exercising legal authority under ORS 261;

Whereas, at the May 21, 2013 election, HWD voters approved formation of the PUD to exercise legal authority and provide water services within the same boundaries served by the Heceta Water District (District);

Whereas, at the May 21, 2013 election, voters also elected five candidates to serve as the initial PUD Board of Directors;

Whereas, on June 25, 2013, the Board of Commissioners of Lane County, Oregon approved an order creating and establishing the PUD;

Whereas, ORS 261.405(2) requires the Board to adopt a plan that divides the District into five subdivisions as nearly equal in populations as possible,

Therefore, be it resolved that, following the boundaries set forth by Lane Council of Governments (LCOG) for subdivisions within the Heceta Water People's Utility District, with population as nearly equal as possible based on the 2010 US Census, and which are to be updated with every 10 year US Census starting in 2020, the Board accepts Scenario B as submitted by LCOG.
