Billing:

Billing shall be on a monthly basis and payment is due by the 25th of the month for the previous period. Non-payment will be cause for termination of water service. If a meter fails to register the amount of water used for any period, the charge for that period will be calculated based on the average quality of water used in the previous billing period. Any water user may request a meter check if the water usage records appear unreasonable. If the readings appear unreasonable to the General Manager, the General Manger will assist in determining he cause of the reading.
